Defendant.

PETER OPPENHEIM
CLERK US DIST COURT
WD OF WI

Dear courts,

In regards to the request that I sent to the courts dated Feb. 5, 2018. I did also send copies to the defendant requesting discovery and medical records. I sent them to the defendant at the same time I sent them to the courts. The defendant ^{should} ~~should~~ of already recieved these copies about the same time the court did.

Thank you for the clarification of not sending copies to the court regarding request.

I do have one question, what happens if the defendant fails to respond to my discovery request and my dead line of march 15, 2018 approaches? Then what do I do, or whats the next step?

Dated: 2/21/18

Respectfully

Lewis Byrd
